

**The Newtown Veterans Tribute Tower project has been modified. There are several reasons for this, one of which is the lack of restroom facilities at the Moore Funeral Home original site. The Newtown Veterans Tribute Tower Committee wishes to express our sincere gratitude to Mr. Mark Moore for his generous offer of the property adjacent to his Funeral Home.**

**After careful deliberation, the Newtown Veterans Committee decided to change the concept of the Veterans Tribute from a Tower to a Memorial Wall and Bronze Statues depicting military personnel from each of our armed forces, together with various tributes to our fallen comrades in arms. It was also decided to relocate the Tribute from its original site to the upper level of Moundview Park on Newtown Rd.**

**All donations will continue to be received by the Friends of Newtown. Please make all checks payable to:**
